“ *Dear Bowers cousins,
I am so sorry for your loss. I met Bucky a few times when visiting my grandfather Charles H.Bowers' farm in Glassboro when I was young. My sister Anne went to Wilson College and I know she visited Bucky while she was there. Mom (Jane Bowers Fagundus) was Dick's cousin and even when she was in her 90's she remembered Bucky and remembered her fondly (and at that age there were a lot of people she did not remember at all). It is many years since I saw her but I can tell she lived a long life and lived it well. God bless,
Carol Fagundus*

“ Dear Family,
Life is a gift from God. There is no doubt that death is an enemy. Is there any reason to believe that this age-old enemy will be brought to nothing? Yes, there is. God the Creator, did not make humans to live just a few years and then die. Human death was no part of his purpose. He intended for humans to live forever on a paradise earth, (Psalms 37: 10,11,29) and what he purposes he accomplishes. (Isaiah 55:11) God has already arranged for us to be saved or rescued from death, and the central figure in that arrangement is Jesus Christ. John 3:16; We do have a wonderful hope after all! Sincerely Yours, Judy L.
