

## Sandra Rodriguez

October 17, 1950 - July 9, 2024

Sandra Rodriguez, 73, passed away July 9, 2024. She was born on October 17, 1950 to Edelmira and Victor Gonzalez in New York City. Sandra went on to marry Michael Rodriguez Sr. on October 1971 and went on to have two children, Michael and Evalina. She was also a mother to many who called her "mom". Retiring from work with Tyco Electronics, she went on to becoming active in her church and spread encouragement and love to all who whom she encountered.

Her hobbies included spending time with family and helping anyone she encountered in need. She was an active member Agape Christian Fellowship in Fayetteville. She was loved by everyone who attended and she loved anyone who was present on any given Sunday. The hobby she is well known for was her cooking. Almost everyone who knew her had a fond memory of a wonderful meal she cooked, coupled with wonderful fellowship.

Sandra is survived by Michael A. Rodriguez Jr (Son), and Evalina Rodriguez (Daughter). She loved them very much. They will continue her legacy of loving others and helping those in need.

“ *Sandy and I had many great days together. We took a few vacation times, saw Johnny Mathis, took a horse/ buggy ride. Visited an Amish working farm. Modt importantly we shared Jesus with others. She will be missed by many. Love you Sandy.*

*I remember a time when Sandy came to stay a while with me when I lived in FL. At that time she didn't ha e a drivers license, si I decided to teach her how to drive 🙄 well needless to say, I signed her up for drivers school. I told her I leave that with the professionals. We had a great laugh about it, and she learned to drive. I will miss her greatly, and will always love ❤️ her. We had great times together. I look forward to seeing you again, Sandy, beside of Jesus.*

“ Titi Sandra, you got me through my grandfather’s dementia diagnosis, my pregnancy, and my father’s issues. You were my angel. I am so glad my daughter was able to hear you tell her you love her and she got to know you. I will miss our “girl chat” so much. Te quiero mucho
