“ *Thelma will be greatly missed by all who knew her! She was a sweet lady.*

*I so enjoyed having lunch with her, Earl and Elaine on some of my trips to Chambersburg. I will cherish the memories of those times with her, along with the stories and photos she shared of my great aunts, great uncles and great grandparents. And I will always be grateful to her for visiting my father when he was living on his own after the passing of my mother.*

*I hope the wonderful memories of her well-lived life will give comfort to those who grieve and miss her.*
