He enjoyed spending time with his family, hunting, fishing, gambling, visiting family at campgrounds, during special events, such as the holidays, family reunions, get-togethers, birthday parties, and so much more. Important times, were those that he spent with Heidi, including dates to the movies, annual trips to Las Vegas, the trip to Hoover Dam and traveling into California and Arizona, trips to the beach was a must, traveling the States and the world, concerts and shows. Last, but not least, the highlight of his life was his daughter and his granddaughter. He enjoyed the time he was able to spend with them whether it be at the holidays, birthdays, or just because. Another special moment is when he had the opportunity to walk with her to celebrate South Hagerstown High School's Rebels Girls Varsity Soccer Team's Senior Night, during her senior year of high school. He also enjoyed the NFL game days when the Eagles played the Giants. He was an avid Eagles fan, and his son-
