“ For years we were neighbors with Tim, Shirley and the gang! Tim was always ready with a smile, a wave, a friendly conversation and a helping hand! To know Tim at all was to have a lifelong loyal friend! We will miss him greatly!

Linda&Kenny My Heart goes out to you in your time of sorrow, I was so shocked to see that Tim had passed. I remember sitting on your front porch in Greenvillage till late at night just talking and joking around with each other. I remember Tim as a little boy who could always put a smile on my face with his humor. Take Care❤️

“ Kenny and Linda No one could have been more shocked or saddened by this news. My heart hurts for you, we know he was your Light and Love. We have always thought of Tim as our little brother and we Loved him so much. We lost touch but I know if we would have reconnected we all would have picked up right where we left off. You raised an Amazing man who was Loved and will be missed by so many. I know Dave and I will always carry him in our hearts. We have so many good memories. I remember him teaching me how to get the truck ready for Kenny on Sunday evenings so he could hit the road. His kindness and friendship. Him being Dave's sidekick, best friend and little brother. We need to get in touch and stay in touch. We Love you and will keep you in our hearts and prayers. Tim we Love you and You are one of the Brightest Angel God will ever have. Dave and Weenie McClure

“ I remember when I was younger and used to spend a lot of time with him and Shirley. He always made me laugh. He was such a great person to be around. So sorry to hear about his passing and wish my family wouldn't have lost touch with him. Thoughts to the family! 💙

“ Tim's smile would light up a room. He truly make anyone feel like family and was always the first person to lend a helping hand when he was called on. Tim you're forever missed but NEVER forgotten. We love you
