“ *I still remember my Aunt Treva calling me "RaeRae" as a little girl. I remember being able to talk to her about anything my entire life. She was wise, kind, and one of the best people I've ever known. From my son, Dylan: "Rest in peace Treva Jones. She died in her beauty sleep but will always be awake in our hearts."*

“ *Treva was one of the sweetest people I have ever known. I am glad she was my sister. We spent many hours around the table playing a dice game when my mother was alive and Treva was forever trying to cheat! LOL She was always open to fun and laughter and could lift your spirits when you were down. She was a helper at heart! You will be so missed until we all meet up again in Heaven!*
