“ Dear Sunshine family,
I am very sorry for your loss. When we lose a loved one in death we ask ourselves questions like "Why do we grow old and die?" The Bible gives satisfying answers to our questions (Revelation 21:4) (Isaiah 25:8)

“ I met Vicki many years ago while working in Queens.She was a very lively individual and would always brighten up whatever room she entered. She helped me personally one day by lending me a flashlight when mine went missing. I will not forget her. She was quite a gal, and will be missed by many. So sorry to hear of your loss,Artie.

“ I consider Vicky to be my sister, I have known her since kindergarten and we shared all major life events- grade school, Communion, new jobs, and, we each served as matron of honor at the wedding of the other. Throughout life, her huge heart, keen intelligence, and zest for living have always inspired me. Vicky, I can't believe you are no longer with us- God surely needed you for another mission. Know you are loved always, thank you for enhancing my life.
Artie, we love you too- take it one day at a time, Ray and I are always here for you.

“ Our condolences. We just met your wife a few months ago at a seminar held at M&S. We sat at the same table and shared several stories. She was so proud of her trike. May the happy moments you shared together comfort you in your time of sorrow.
