“ *My Mom always thought about everyone else. She would stay on the phone with me on my travels back and forth to Georgia from South Carolina to keep me company. She wanted to make sure I made it safe. She said she didn't like being alone. Thanks to all that sit and visited her in the hospital, on her birthday and any time you could. Life is empty without you. Noone so loving and thoughtful as you. Band of angels are with you. Love you Mom.*
