“ *My brother and I extend our deepest sympathy to all of the Keil family, especially Mary. Bill was an important part of the retirement community in Alexandria, VA where he and Mary previously lived, and he made a real difference in the quality of the resident's lives. He was also a caring friend to my parents and to us. He is greatly missed.*

“ *I knew Bill as a Docent in the National Air & Space Museum as we shared Tuesday tours. He was a former airline pilot and knew much about his industry. Very sorry to see his passing noted. My condolences to his wife and Keil family and relatives.*
