“ I have many fond memories of Will. He was always smiling and so kind. We attended youth group together as teenagers and had so much fun on our trips to places like Erie, PA, New York and just playing sports and having fun at the church. Even as young adults Will and I spent time together with Mike, Brent (Hasani), Robbie and other friends before growing apart as we grew up. We just connected a few weeks ago about another dear friend who passed away recently.
I am so sorry to hear of his passing and I am sure he is dearly missed.
